

PHONE CALL SCRIPT:

Hello, my name is [YOUR NAME] and I'm calling the office of [SENATOR OR SENATOR-ELECT] [NAME OF SENATOR] because I am a constituent. I live at [ADDRESS, CITY, and STATE] and my phone number is [PHONE NUMBER].

Recently, President-elect Trump made announcements concerning appointees to his cabinet. As a concerned citizen who will be carefully watching your voting record, I'm asking that you please vote AGAINST the appointment of the following people when President-elect Trump takes office.

Senator Jeff Sessions for Attorney General. Senator Sessions' comments and voting record on criminal justice, civil rights, race, climate change, the LGBTQ+ community, women's issues, and rights of people with disabilities are abhorrent. Please do not allow him to climb any higher than he already has.

Betsy DeVos for Secretary of Education. She is a leader of the school choice movement, which is proven to be racially and economically unfair. School choice also creates a punitive atmosphere for teachers, forcing the best to go to districts where student academic performance is already high. Her narrow view on education makes her unfit for the office.

Representative Tom Price for Secretary of Health and Human Services. Representative Price is a critical opponent of the Affordable Care Act who would leave millions of Americans without health insurance if left to his own devices. He has voted multiple times to defund Planned Parenthood and has slammed the contraceptive mandate in the ACA. Simply put, Representative Price does not have the best interest of all Americans at heart and should not be in charge of Health and Human Services.

Please raise your voice on these issues and any others like them that arise.

You will be hearing from me on more issues in the future. Thank you for your time.
